

KODIAK CUB

Kodiak is the leader in lightweight technology featuring an aluminum super-structure design. With all models under 4,100 lbs. the Kodiak Cub is a single axle, light weight travel trailer offering floor plans designed to maximize space and comfort yet engineered to accommodate smaller tow vehicles.

- **Composite Floor Construction** - a wood-free flooring system to provide a lighter more durable structure.
- **Torsion Axle** - advanced rubberized suspension provides a smoother ride and an extra 3" of ground clearance.
- **Off - Road Aluminum Wheel & Tire Package** - the destination isn't always paved.
- **Fully Enclosed Underbelly** - all of your RVs vital functions are kept out of the elements. Plus, this extra layer of protection means you can travel further into the year.
- **Aluminum Steps** - stability you need when coming and going from your Kodiak Cub. Easy to expand and store away, these aluminum steps deliver a sound platform.
- **Fiberglass Front Cap with LED Lights** - easy maintenance and enhanced durability.
- **Light Weight Laminated Construction** - all aluminum frame construction with laminated components for the lightest weights in it's class.

MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it “bang for the buck,” “more for your money,” or simply “more value.” **We’ve built a reputation for bringing RV owners more standard features for less money** for more than 25 years . . . and it’s a reputation we plan to keep.

100% PRE-DELIVERY INSPECTION

At Dutchmen, quality is standard. Every single Dutchmen RV that comes off the line receives it’s own pre-delivery inspection. Every unit undergoes a thorough 253-point check to ensure accurate measurements, fully-functional electronics and components.

THE INDUSTRY’S BEST RV WARRANTY

With this industry-best warranty, we take the guessing game out of what is and isn’t covered. So, that means you don’t have to wrangle over the details, because we deliver value by clearly outlining the major components we back during the first three years.

THE LEADER IN PARTS AND SERVICE

Replacement parts. Routine checkups. Expert advice. You name it and we’ve got it covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road - and stay there longer than ever before.
